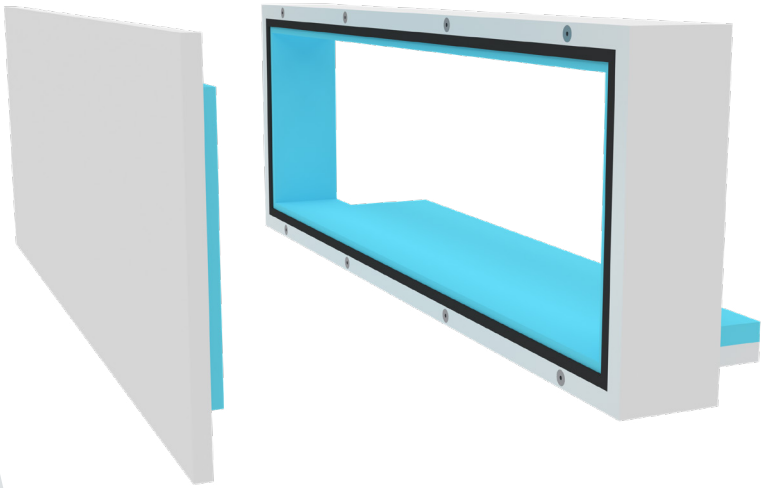
SISTEMI PER SERRAMENTI

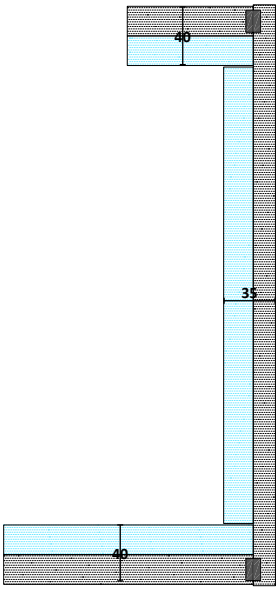
ThermoCover

Il Cassonetto ThermoCover è una soluzione di cassonetto per il restauro.

É indicato nei casi in cui:
- il vano del cassonetto non è adatto all'installazione di un nuovo cassonetto
- non si desidera eseguire lavori di muratura
- per isolare e migliorare l'aspetto estetico del vecchio cassonetto



ThermoCover Standard
ideale in caso di
Sovrapposizione al vecchio cassonetto



ThermoCover Plus
ideale in caso di
Eliminazione del vecchio cassonetto
